2. Understanding Local Crime Trends (2024–2025)

While most areas in Mazatlán are peaceful, there has been a rise in concerns related to theft and property crime in specific zones. Stay aware, and always research the latest local reports.

3. Safer Zones for Buyers & Residents

Popular and safer neighborhoods include:

- Cerritos
- El Cid
- Sabalo Country
- Lomas de Mazatlán

These areas are well-patrolled and favored by expats.
